—  
The Author hereby irrevocably transfers, assigns, and conveys to the Publisher, without limitation, all rights, title, and interest in and to the Work, including but not limited to copyright and all associated rights in any form, format, or media now known or hereafter developed. This transfer shall become effective upon acceptance of the Work for publication and shall include the exclusive right to reproduce, publish, distribute, archive, translate, adapt, broadcast, and otherwise use the Work in whole or in part worldwide.

The Author expressly grants the Publisher full authority to publish and disseminate the Work through print, electronic, digital libraries, indexing services, databases, and third-party platforms. The Publisher shall also have the right to include the Work in compilations, derivative works, and future editions of conference proceedings or related publications. The Author warrants and represents that the Work is original, has not been previously published, and is not under consideration elsewhere. The Author further confirms that the Work does not infringe upon any copyright, patent, trademark, or other proprietary or legal rights of any third party. Where any part of the Work includes material from other sources, the Author affirms that all necessary permissions and consents have been obtained and documented.

The Author confirms that all listed co-authors have made substantial intellectual contributions to the Work and have approved its submission. The corresponding author signing this Agreement represents that they are authorized to act on behalf of all co-authors and bind them to the terms of this Agreement.

The Author(s) declare that the Work is original, free from plagiarism, and that all sources have been properly cited and acknowledged. Any use of Artificial Intelligence (AI) tools in the preparation of the Work has been transparently disclosed and carried out in an ethical and responsible manner, without generating misleading, fabricated, or unethical content. The Author(s) accept full responsibility for any

misuse of AI tools or any instance of plagiarism identified in the Work. Furthermore, the Author(s) confirm that the Work adheres to established ethical standards in research and publication, that any financial, institutional, or personal conflicts of interest have been fully disclosed, and that all necessary approvals, including ethical clearances and informed consents where applicable, have been duly obtained. The Author agrees that the Publisher shall have the right to use the Author's name, affiliation, biographical information, and likeness in connection with the publication, promotion, and distribution of the Work. In the case of conference presentations, the Author grants the Publisher permission to record, reproduce, distribute, and publicly display such presentations, including any associated materials. The Author retains certain rights, including the right to use the Work for academic, research, and educational purposes such as inclusion in theses, dissertations, or institutional repositories, provided proper acknowledgment of the original publication is given and the Publisher's version is not misused.

The Author acknowledges that the Publisher assumes no responsibility for the content of the Work. All statements, opinions, data, and conclusions expressed in the Work are solely those of the Author. The Publisher shall not be held liable for any errors, omissions, or consequences arising from the use of the Work. The Author agrees to indemnify, defend, and hold harmless the Publisher, its editors, reviewers, employees, and representatives from and against any and all claims, damages, losses, liabilities, and expenses arising out of or related to any breach of the representations and warranties made in this Agreement, including but not limited to claims of plagiarism, copyright infringement, or unlawful content. The Author further acknowledges that any disputes regarding authorship, originality, or rights shall be the sole responsibility of the Author(s), and the Publisher shall not be involved in such disputes. In the event of any legal claims, the Author agrees to fully cooperate with the Publisher in defense of such claims.

If the Work is not accepted for publication or is withdrawn prior to acceptance, this Agreement shall become null and void, and all rights shall revert to the Author. This Agreement constitutes the entire understanding between the Author and the Publisher and supersedes any prior agreements. Any amendments must be made in writing and signed by both parties.
